

Performance

- The UniBinder 120 can bind up to 4 documents at once
- Binds up to 120 sheets using only 4 spine sizes of UniCovers
- Economical: no warm-up time needed

Easy to use

- Your work is done in 3 easy steps
- User-friendly
- Binds fully automatically after detection of the steel spine
- Manually crimp your document to perfection

Quality

- Super-strong permanent bond
- The crimping movement pushes the paper the binding resin for a guaranteed binding quality
- Edit documents quickly and easily

Reliability

- Always ready to use
- Maintenance-free

UniBinder 120

Discover it!

BIND

The heating is required to liquify the resin, gravity forces the papers into the softened resin which will solidify once it has cooled down.

CRIMP

Crimping will adjust the metal cover spine to the thickness of your document to ensure perfect binding every time.

COOL

The cooling compartment speeds up the time needed for the resin to solidify.

SPECIFICATIONS

- dimensions: 19,29" x 13,19" x 13,58"
- 1 binding compartment (bindes 1-120 sheets))
- 1 manual crimping compartment (from 1 - 120)
- 1 cooling compartment
- weight: 17,64 lb
